

April 9, 2014

From: Lieutenant Kevin Haight

Subject: PSAP Standards & Training Committee Nomination

To: Law Enforcement Administrator

This correspondence is to inform you of an opening on the Idaho Emergency Communication Commission's (IECC) PSAP Standards & Training Committee in your district. The Committee is a 12-member body comprised of dispatch professionals from around the state. The committee meets monthly and in conjunction with the IECC's bi-monthly meetings.

The purpose and mission of the Committee is to assist the IECC in fulfilling its mission through professional development and standardization of public safety communications in the State of Idaho. The Committee helps to identify, develop, and facilitate training for dispatchers, works together to implement and create minimum training standards, and serves as a resource for advanced technology and equipment information.

If you would like to nominate someone from your communications center to serve on the Committee, please submit a personal letter of recommendation on your agency's letterhead and a letter of interest and resume from the nominee. Enclosed you will find a copy of the PSAP Standards & Training Committee standing rules. This document will answer any questions you may have regarding meeting attendance and the commitment required to serve on this committee.

The nominations should be returned no later than April 30th to:

Lieutenant Kevin Haight  
Idaho State Police  
700 S. Stratford Dr., Bldg. #7  
Meridian, ID 83642

If you should have any questions please don't hesitate to contact me personally at (208) 846-7555.

Sincerely,

Kevin P. Haight  
PSAP Standards & Training Committee Chair
